

allow the Department of Homeland Security (DHS) to consolidate headquarters staff at the Complex for the foreseeable future.

The executive branch shall construe section 1(g)(3) of the Act, which purports to make consultation with specified Members of Congress a precondition to execution of the law, as calling for, but not mandating, such consultation. Construing the provision as a mandate to consult would be inconsistent with constitutional provisions concerning the separate powers of the Congress to legislate and the President to execute the laws.
